18" x 16" screen provides enhanced weather protection and pest resistance.

Low profile design blends into roof.

Made from high impact strength plastic for durability.

P60 PRO FEATURES:

- Patented design. See lmcpat.com
- Inner guard stops pest intrusion.
- 18" x 16" mesh screen for enhanced weather protection.
- Low profile design.
- Designed for fast installation.
- Pure impact-resistant polypropylene will not dent or crack in extreme heat or cold installations.
- Additives provide superior resistance to fading and UV degradation.
- Same tried and proven polypropylene material as Lomanco Omni Series ridge vents.
- **Lifetime Limited Warranty.**
